from Evans Photography Studio

Deadline for Orders is Friday January 25th 2012

Orders received by this date will be completed by March 1st
and mailed to your Home Address.

Included is a small preview of the dancer's portrait. If you did not receive an individual preview, the dancer did not have a portrait taken. For dancers with multiple poses, please indicate pose number and photo size / quantity on the back of your order form. As always, Group photos were taken onstage. You may order a group photo with or without an individual portrait.

Don't forget about Memory Mates and Statuettes, or check out our Package sets!
Memory Mates are black folders which hold an individual photograph of the dancer on one side and a group photo on the other side.
Statuettes are an 8x10 size individual print, mounted then cut out for a sculpture effect.
Package sets are photos only, without display folders. A package is one pose only.
